

WORKSPACE PROJECT PROFILE

MasterPrompts

Prompt Marketplace Funnel

A PromptBase-inspired funnel project designed to feel more like a business machine than a static prompt listing page.

01

Core Offer

Prompt-vault style landing page, checkout page, upsell, downsell, offer wall, and conversion-ready flow.

02

Problem Solved

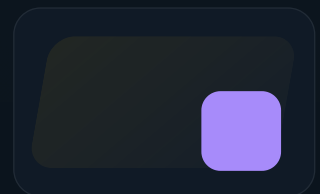

Transforms generic prompt collections into a more premium, curated, purchase-oriented offer structure.

03

Key Assets

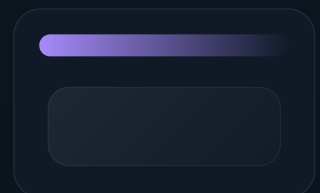

Full multi-step funnel, config-driven review mode, branded visuals, and offer sequencing logic.

04

Ideal Buyer

Prompt buyers, creators, marketers, and AI users who want curated shortcuts instead of scattered prompt files.

05

Growth Path

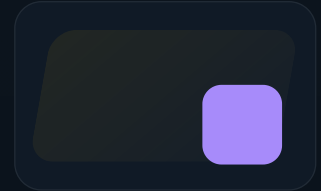

Discovery -> featured prompt packs -> checkout -> upsell paths -> broader vault monetization.

06

Next Expansion

Add pack previews, category pages, testimonials, live payment wiring, and creator/affiliate collaboration.
